CA, Loma Linda	Herbert Ruckle at LLUMC	Mort Woolley Philip R. Strange	<p>Philip R. Strange: <i>"Now you have several choices for a cure." As a surgeon, his personal preference was for surgery, but he said that I would probably want to go across the street to the proton center for a consultation. I did—and chose proton therapy—and haven't regretted that choice for a minute. Dr. Ruckle has continued to be my urologist for my regular 6 month check-ups (3 and one half-years). He has been supportive since the diagnosis and treatment. Of course, being a Loma Linda physician, he is aware that this therapy has been successfully employed with thousands of patients over many years.</i></p>
